Letter No. S. 1/32-33 dated 19/1/33 proposing to hold Police Sports in Bangalore on the 24th & 25th February 1933 for the emulation of the members of the Police Force and requesting orders to treat the Police Officers & men coming from the Dists & Mofussil to take part in the Sports in Bangalore as on duty on the analogy of the concession shown to them in 1914 in connection with the Police Sports held

1) Police Sports were held once in Dec 1910 in Bangalore (vide PSR 108-10 flag B) and again during Dasara in 1915 in Mysore (vide PSR 60-15)

2) In 1910 the Police officers & men who proceeded to Bangalore from the Dists & Mofs were treated as on duty and sanction was accorded to permit them to draw Travelling allowance at ordinary rates as per rules of [illegible] And as the Sports in 1915 were held during Dasara in Mysore, the question of extending the same concession did not arise as the men had to proceed to Mysore from the Dists on Special duty for the occasion & this opportunity was availed of for the Sports. But the D.S.Ps who had to go to Mysore exclusively for the sanction in connection with the Sports might have [illegible]

shown the concessions. As the Collectors S.R.R 58-11 & S.D 120-12. seem to have been destroyed, the information as to the concession granted to them is not readily available.

3) The expenditure involved in granting this concession in 1910 was estimated to be Rs 1900 which was ordered to be met from the departmental budget by reappropriation. The figure included the conveyance charges of the Ponies brought from the Mofussil for the 'Pony Race' in the Sports Guide 108-10. flag B

4) In connection with the Sports in 1915 a sum of Rs 1000 was sanctioned by reappropriation from the departmental budget for meeting the incidental & refreshment charges in addition to a sum of Rs 420 ordered to be utilised from the Police Training School budget for prize Sports. flags D+E

5) In the present reference the D. Supt Police asks for a concession on the analogy of previous occasions.

6) For the Sports in 1910 in which the question of separate provision for T.A charges on this account arose a number of 12 Inspectors, 12 Jamedars 12 daffedars & 110 Constables were returned flag G

referred from the Dists etc & the T.A charges including the conveyance charges of police were estimated to be Rs 1900/-.

7) In the present proposal the D.G & P.Police expects a return of about 12 members from each district thus making a total of about 108 members which may include Officers on different rates of T.A. Added to this about 8 D.S.Ps and 2 or 3 As.Ps will attend the Sports.

from 9 police districts excluding Bangalore city.

8) Estimated on the basis of the provision made in 1910 and in the light of the reduction in T.A rates made recently & the practice of allowing a single fare only for duty on such occasions, viz departmental conferences & gatherings etc, and also in the absence of conveyance charges for ponies etc, the expenditure may come to about Rs 1000/- To this extent, the D.G & P.Police States, the concession calls for the grant of an extra grant to the Dept.

9) The Financial Branch may perhaps be consulted.

10) I do not think any T.A is allowed for departmental Conferences. Pl. put up the latest order.

To

Chief Secretary to the Government of Mysore,

B A N G A L O R E.

6 2 39/1/33

SIR,

I have the honour to state that it is proposed to hold Police Sports in Bangalore on the 24th and 25th February and to allow of contingents from all the districts in the State to participate. Such a meeting was last held in Mysore in 1915 since when, unhappily, the practice has been abandoned. It is now proposed to revive it in the interests of the Police force as these meetings have a very beneficial effect on the morale of the force by bringing the Police of different districts into contact, and promoting between them a spirit of healthy rivalry and making the members feel that their interests extend to the whole of the State.

At the outset it is proposed to limit the contingent from each district to 12 members exclusive of Gazetted officers who it is intended should make use of the opportunity by holding a conference to discuss matters affecting the general interest of the department and its responsibilities. It is not expected that this first meeting of every district will be in a position to put in a full team and in some cases, therefore, less than 12 officers may appear to represent their districts.

As to the funds required to finance the meeting it is intended to raise the greater portion if not the whole from the voluntary subscriptions of officers of the Department. Some of the sports events will be open to the general public, students in schools and Colleges, and the like.

In their order No.J.1393-4. Police- 60-15-4 dated 6th October, 1915 Government were pleased to grant to officers and men attending on the occasion

the concession of being treated as proceeding to Bangalore on duty. I request you will obtain the sanction of Government for the grant of a like concession on this occasion. The sum in question cannot be definitely estimated till it is known how many men are likely to avail themselves of the privilege, but the amount involved is unlikely to be very great, but the grant of it call for the grant of any special addition to the budget allotment. Having in view the benefits that will accrue from the occasion the concession asked for may be accorded the sanction of Government.

I have the honour to be,
Sir,
Your most obedient servant,

INSPECTOR GENRAL OF POLICE.
